School of Public and Environmental Affairs
Indianapolis Campus

Application for Undergraduate Certificate

Instructions for completing a certificate through the School of Public and Environmental Affairs (SPEA):

1. Requirements for the certificate are on the other side of this application.
2. Submit this application to BS3027 and then submit a graduation application when you are registered for the final course or courses for this certificate and at least one month prior to your graduation.
3. You will receive an email from SPEA confirming whether or not you have met the requirements for the certificate. Please make sure your IUPUI email is included in this application.
4. If you do not successfully complete the final course(s) for the certificate, you must reapply when you are registered for the final course(s).
5. If you have questions regarding coursework for this certificate, please see an advisor in SPEA.

Please check the certificate program to which you are applying:

____ Non-profit Management ____Public Affairs ____ Public Health
____ Environmental Studies ____ Effective Citizenship ____Public Management
