

Graduate Assistantship Application
School of Public and Environmental Affairs
Indiana University - Purdue University Indianapolis

Instructions: Print off, complete and submit form. You should complete this application if you are a full time student and interested in financial assistance. Please include an updated resume with your application.
Priority date: February 1.

A Graduate Assistantship is a nine-month appointment that requires the completion of 20-hour workweeks. The student is eligible to receive a stipend as well as remission of tuition and fees. Appointments will cover the Fall and Spring semesters. Assistantships for graduate students are competitively awarded. Completion of this form will allow you to be eligible for consideration of this award.
